For more information about the Shire’s Australia Day celebrations, please contact the Crookwell Visitor Information Centre on 4832 1988.

Make Pool Safety a Priority
Shire residents are being urged to ensure their swimming pools meet current pool fencing requirements.
While pool fencing requirements vary depending on when the pool was built and where the pool is located, all pool owners in NSW – including owners of inflatable and portable swimming pools – must ensure their pools comply with fencing laws.
Everyone with a swimming pool is encouraged to visit the NSW Fair Trading website to ensure their swimming pool meets the current pool fencing requirements.

To ensure that fencing meets current pool fencing requirements, swimming pool owners should:
- Check your pool fence throughout the year, especially in the months leading up to summer;
- Ensure children have constant adult supervision within arms reach;
- Ensure members of the household learn infant CPR;
- Familiarise children with water and teach them to swim, but never assume that they are not likely to drown.

In the case of inflatable or portable pools that can hold more than 30cm of water, a compliant four-sided fence must be installed to ensure safety. For inflatable or portable pools that can hold less than 30cm of water, owners should always empty and store away the pool when not in use.

For further information, or advice, please contact Council’s Environment and Planning Department on 4830 1000.

Mail Theft at Taralga
Upper Lachlan Shire Council is urging the Taralga community to be vigilant in response to mail theft and tampering in the village.
Council is advised by Australia Post that there have been several reports of mail theft and tampering since 13 December 2017. Police have been notified and are making inquiries.
Anyone with information is urged to contact Senior Constable Brad Jones on 0408 562 049 (please note, for urgent police matters phone 000).
To reduce the risk of falling victim to mail theft and tampering, residents are encouraged to:
- Clearly secure their letterbox to ensure items can be fully seen and securely locked;
- Secure their letterbox with a sturdy lock.
Mail that is tampered with or goes missing from a resident’s letterbox after it has been delivered is a criminal matter and customers should immediately report the theft to the police.

On Exhibition: Draft Plan of Management Pye Cottage Precinct
Council is seeking feedback on its Draft Plan of Management for the Pye Cottage Precinct, Gunning.
The Plan identifies the important features of the land, clarifies how Council will manage it and how it may be used or developed. It will also provide a framework for the operational and strategic use and management of the land.
Copies of the Draft Plan are available to view on Council’s website (www.upperlachlan.nsw.gov.au), at Council’s Crookwell and Gunning offices, and at both Crookwell and Gunning Libraries.
Submissions regarding the Draft Plan may be made via post to JK Bell, General Manager, PO Box 44, Gunning NSW 2581 or email: council@upperlachlan.nsw.gov.au and will be received until Friday, 9 February 2018.
For any further information, please contact Council’s Department of Environment and Planning on 4830 1018.
