

# THE UPPER LACHLAN SHIRE COUNCIL BULLETIN

JULY 2022

## Council's winter holiday program a tremendous success

After a frantic couple of weeks for the organisers, the tremendously popular Upper Lachlan Shire July Winter School Holiday Program has come to an end.

Member of the organising group, Deputy Mayor Cllr Mandy McDonald described the fortnight long program as a great experience for all involved.

"If you measure success in smiles, then this Holiday Program was an unqualified success," she said.

"We had such strong turn out to our events and a lot of feedback from people wondering when we can do this again."

One of the most popular events was the Arcade Games set up at Crookwell Art Gallery, with a continuous stream of kids of all ages coming and going across the five days of operation.

Dance Parties were also big hits with over 100 attending the one in Gunning and 80 in Crookwell.

Presentations of the movie "Spiderman: No Way Home" were also popular everywhere they were shown, with people attending in Gunning, nine in Dalton, 20 in Bigga and 40 in Crookwell.

"For the villages in our Shire, the opportunity to see a film in a theatrical setting rather than just watching a video at home is a very rare opportunity," Cllr McDonald said.

"There's something special about seeing a film in a community setting and those who attended loved it."

Cllr McDonald said that the Art Workshops were also well attended along with the Musical Painting, Sword Symposium and Games Nights. Macrame Wall Hangings and Create a Dream Catcher events were cancelled due to COVID.

The Upper Lachlan Shire Council Winter Youth Program ran from 4 July until 17 July with events in Bigga, Collector, Crookwell, Dalton, Gunning and Taralga for youths aged between 12 and 24.

The Program of events, which was jointly funded and supported by NSW Youth Week, the NSW Government and the Upper Lachlan Shire Council, had been driven and organised by Grants Officer Renee Brownlee and Cllr Mandy McDonald and helped by Cllrs

Jo Marshall, Nathan McDonald, John Searl and Lauren Woodbridge.

There are hopes for similar events in the future should funding be available.

"The aim was to have the greatest possible variety of events in as many villages as possible," said Cllr McDonald.

"We've learned a lot from running it, but it was very enjoyable and judging by the feedback, very worthwhile."

## Council spraying for African Lovegrass when the sun shines

If you see stretches of roadsides dotted with red dye, please note that this is Upper Lachlan Shire Council making the best of the weather and spot spraying for African Lovegrass between rain.

Council is able to successfully spray from July through to December using the recommended chemical Flupronate.

Council is programming the control of African Lovegrass as well as inspections in the areas of Wayo, Pejar, Rosyln.

African Lovegrass is a priority weed within the Upper Lachlan Shire. African Lovegrass can take over pastures and disturbed areas. It degrades pastures as it is not very nutritious for livestock.

African lovegrass is a perennial grass that grows in clumps up to 1.2 m tall.

It is identifiable by the leaves which are dark green to blue-green.

It is more noticeable when the plant is bearing the seed head.

The seed head grows towards the end of the stem and presents during

summer to autumn.

If you would like to find out more about African Lovegrass, including how to correctly identify it, please contact Council's biosecurity staff for more information on 4832 1000.
